Breanna – would you please give me a call when you have a moment to discuss? I'll be out this afternoon starting at 3:30, but will be available most all day tomorrow.

Thanks!

Hi Anne,

We're reviewing the Wahnish Cigar Factory for a pre-application consultation next week at the ARB meeting. Do we need to find a proxy for you if we're not voting on anything? We'll meet about this project several times, so it would probably be helpful to have a consistent stand-in. Thanks!
